Apply for the $10,000 scholarship that will help you – and help ensure the Jewish future!

The Geri & Richard Brawerman Leadership Institute is awarding $10,000 annual college scholarships to high school seniors who demonstrate financial need, academic strength and a deep commitment to leadership, community service and Jewish engagement. This program builds on The Jewish Federation’s goal of ensuring the Jewish future by developing emerging young leaders in our community.

If you are selected as a Brawerman Fellow, in addition to receiving the scholarship, you will build your leadership skills and strengthen your connection to Jewish life. It happens through mentoring, a shabbaton, yearly one-day retreats, a life-changing Birthright Israel trip, and hands-on community service for four weeks during the summers – locally and in Israel.

Apply now for the $10,000 annual scholarship that will help you make the most of college – and give you the skills you need to help ensure the future we share.

To apply to be a Brawerman Fellow, go to www.JewishLA.org/Brawerman and apply by May 11, 2012. For more information, e-mail Brawerman@JewishLA.org.
