From the Coordinator’s Desk
The spring semester has begun and we’re on our mad dash to June. June 19th is the tentative last day of the semester (but that could change). We’ll be returning to school August 14th.
The application numbers are in for next year and we have 360 students applying for 106 openings. It looks like another highly competitive year for admissions to our magnet. I’ll be sending out acceptance notifications around the 1st of April.
We’ve begun a drive to update parent contact information by sending home information forms with each student. This will allow us to make timely contacts with parents concerning school information and during emergencies. Having your current phone number(s) and email addresses will insure that you receive necessary information. A big thanks to Lisa Zimble for spearheading this project.

College Informational Workshops, Humanities Events & News and teacher contacts can be found on the web at hamiltonhighschool.net-

NOTE
All absences and early leaves must be cleared in the Music Magnet Office by 10 am.

Contact a Teacher- To contact a teacher, please email me at far85671@lausd.net and I’ll forward your message. Our website (see above) also offers links to teachers under Students>Classes and Homework.
