ATTENTION!

The City of Los Angeles is offering high school juniors and seniors who are interested in the sciences with a great opportunity to participate in a six week **paid** summer internship! Selected students will participate in the Summer Introduction to Engineering and Science Program (SITES) with the Department of Public Works Bureau of Sanitation.

**Program Description**

- Six week paid summer internship
- Program runs June 19, 2017 through July 28, 2017
- Students earn $10.50/hour with a maximum of 20 hours per week
- Program includes training sessions, workshops, and educational field trips
- Participants gain work experience and may explore careers in:
  - Civil Engineering
  - Environmental Engineering
  - Chemical Engineering
  - Environmental Science

**Program Requirements**

- Applicants must be a high school junior or senior in the Fall of 2017, and must:
  - Live in the City of Los Angeles
  - Attend a high school in the City of Los Angeles, or
  - Attend a high school within the Los Angeles Unified School District
- Enrolled in Advanced Math and Science classes and have completed Algebra II with a B or better grade.
- Applicants must submit transcripts, resume, recommendation letter, proof of legal right to work, and Emergency Release form.
- Applicants must be available to work during the hours of 8:00 A.M. - 5:00 P.M. for the duration of the program.

Please submit documentation to Andrew.Washington@lacity.org. For more information, call (213) 485-4047.

The deadline for all applications is April 24, 2017. The earlier the application is submitted, the better the chances of being admitted into the program!
