SYNOPSIS

NeuroCamp is a FREE BRI outreach program that brings together a group of 15-20 highly motivated high school students in a centralized lab setting. Students learn the fundamentals of neuroscience and basic lab techniques in Molecular Neurobiology, Neurophysiology, and Neuroanatomy.

NeuroCamp 2017 will be held at UCLA over a two-week period (on the Tuesday, Wednesday, and Thursday of each week):

• Week 1 July 11, 12, 13 1:30pm-4:30pm
• Week 2 July 18, 19, 20 1:30pm-4:30pm

The overall goal of the program is to provide an exciting and rewarding introduction to research in neuroscience to a broad range of high school students from the Los Angeles area. NeuroCamp intends to stimulate an interest in college as well as an educational path leading to a career in science.

Program Inquiries (please, no applications):

William Grisham, Ph.D., NeuroCamp Director, grisham@lifesci.ucla.edu

Application Inquiries:

Katherine Aquino, NeuroCamp Coordinator, kgaquino@mednet.ucla.edu
APPLICATION REQUIREMENTS

Please include the following:

(1) **Statement of Interest:** Please describe your interest in the field of Neuroscience. [1 paragraph]

(2) **Declaration of Commitment:** Please describe your intended commitment to the program. Be sure to include any foreseeable obstacles to fulfilling said time commitment during the two-week period. *Note that you’ll need to arrange your own transportation to UCLA.*

(3) **Resume:** Please include a standard resume.

(4) **Letter of Recommendation:** Please provide a letter of recommendation from a teacher or mentor.

APPLICATION SUBMISSION

Make sure that your name is clearly labeled on each of your required documents. Compose an email with *“NeuroCamp 2017 Application”* in the subject line, and send all four documents to:

Katherine Aquino  
NeuroCamp Coordinator  
kgaquino@mednet.ucla.edu

*Due Date:*

May 15, 2017
